History: This message has been forwarded.

Ms. Rodriguez,

I recently reviewed the July 2012 Superfund Proposed Plan for this site. I noticed that GE has been identified as a PRP on p. 2. When was GE identified as a PRP? I have reviewed many documents related to this site and have never seen GE identified as a PRP, and I cannot find anything regarding PRPs for this site on EPA's website.

Thanks,  
Hadley

which may be a computer program. This attached computer program could contain a computer virus which could cause harm to EPA's computers, network, and data. The attachment has been deleted.

This was done to limit the distribution of computer viruses introduced into the EPA network. EPA is deleting all computer program attachments sent from the Internet into the agency via Email.

If the message sender is known and the attachment was legitimate, you should contact the sender and request that they rename the file name extension and resend the Email with the renamed attachment. After receiving the revised Email, containing the renamed attachment, you can rename the file extension to its correct name.

For further information, please contact the EPA Call Center at (866) 411-4EPA (4372). The TDD number is (866) 489-4900.
